MEMORANDUM FOR SEE DISTRIBUTION

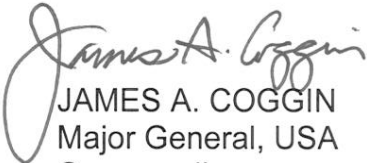

SUBJECT: Policy Letter #35, Travel Prohibition to North Korea

1. This policy is effective immediately and remains in effect until rescinded or superseded.
2. References:
 - a. DoD 4500.54G, Department of Defense Foreign Clearance Guide, 10 January 2006.
 - b. USFK Command Policy Letter #35, Travel Prohibition to North Korea, 18 May 2006.
3. Applicability. This policy applies to all 2ID Soldiers, dependents, and DoD civilian employees.
4. General Policy Statement. On 19 June 2000, the US eased economic sanctions against North Korea. Direct personal and commercial financial transactions are allowed between US and North Korean citizens. However, this easing of restrictions does not change the prohibition on 2ID travel to North Korea.
5. Specific Policy Guidance. To enhance the force protection and ensure the safety of its personnel, 2ID prohibits travel by military members, dependents, and DoD civilians, regardless of their nationality or whether they are covered under the Status of Forces Agreement. The only exception to this policy is official duty travel specifically sponsored by 2ID.
6. This is a punitive policy. Persons subject to the UCMJ who fail to comply with the provisions of this policy are subject to punishment under the UCMJ, as well as to adverse administrative action and other adverse action authorized by applicable laws or regulations. Persons not subject to the UCMJ who fail to comply with the provisions of this policy may be subject to adverse administrative sanctions, included but not limited to revocation of privileges as authorized by applicable laws and regulations.
